LIST OF DATABASES
„Elektronické informačné zdroje“

The "AKTUALITY" section features a news item with the Scopus logo and the headline "SCOPUS opäť dostupný". The text below reads: "DÁTUM: 21. SEPTEMBRA, 2023. Vážení používateľia, od 21. 9. 2023 je databáza Scopus opäť sprístupnená." A "ČÍTAJ VIAC" button is located at the bottom right of the item.

The "O KNIŽNICI" section lists various services: "Knižničný a vypožičný poriadok", "Cenník poskytovaných služieb", "Knižnice pre Slovensko", and "Prevádzková doba". A "Viac" button is positioned at the bottom.

The "SLUŽBY" section lists "Študovne" and "Virtuálne študovne". The text "Elektronické informačné zdroje" is circled in red, and a large orange arrow points to it from the right. Below the list, there is a "Viac" button.

Too many databases? No problem!

PRIMO (ersearch.cvtisr.sk)

The screenshot shows the PRIMO search interface. At the top, there is a search bar with the query "medicine". To the right of the search bar, there is a dropdown menu for "Všetky zdroje" and a button labeled "Nájst databázy" which is circled in red and pointed to by a large orange arrow. Below the search bar, there is a section for "O TĚME" (About the topic) with the heading "Medicine" and a brief description. To the right of this section, there is a citation for "Zdroj: Latinas in the United States: A Historical Encyclopedia" and the year "Vytvorené: 2005". Below the "O TĚME" section, there is a list of search results, each with a document icon, the title "CASOPIS Medicine", and an "Online prístup" link. On the left side of the interface, there are several filter sections: "upraviť moje výsledky" (edit my results), "zotriediť podľa" (sort by) with "relevancia" selected, "Dostupnosť" (availability) with options like "Online zdroje", "Recenzované časopisy", "Otvorený prístup/Open access", and "Dostupné v knižnici"; "Typ zdroja" (source type) with options like "Články", "Správy", "Recenzie", "Kapitoly v knihách", and "Novinové články"; "Autor" (author) with options like "Institute of Medicine", "National Academies of Sciences, Engineering, and Medicine", "Institute of Medicine (U.S.)", "Board on Health Sciences Policy", and "Project Muse"; and "Dátum vydania/vytvorenia" (publication/creation date) with a range from 1000 to 2024.
